

eCASH HOME FINANCING PROGRAMS

Giving home buyers the power of an essentially all-cash offer.

MORE ABOUT THE eCASH HOME FINANCING PROGRAM

Cash is king — especially in a hot real estate market. But what if your clients don't have enough cash to make an all-cash offer?

The new eCASH program could be the solution. Buyers who use the eCASH program benefit from a contract addendum that ensures our program partner will buy the house if the buyer is unable to close due to a covered mortgage issue* — and that the seller will get the full purchase price regardless of the appraised value*.

The eCASH program gives everyone involved the confidence of essentially an all-cash offer.
